

## Building Survey

You can learn a lot by looking closely at a building. Choose one building in your neighborhood and investigate what looks like and what is around it. When you've completed the survey, draw a picture, write a poem, or create a story about the building you chose.

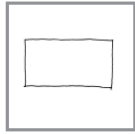

### Architecture

Look at the front of your building.

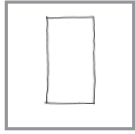

My building is shaped like a:

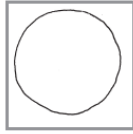

Square

Long rectangle

Tall rectangle

Circle

Other? Draw it.

My building is \_\_\_\_\_ stories tall.

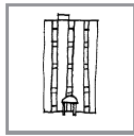

One story

Two stories

Three stories

Four stories

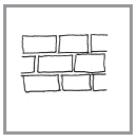

More? How many? \_\_\_\_\_
