## Annual Report 2019

### Statement of Financial Activities

Fiscal Year 2019 was another successful 12 months for the National Building Museum. Our success would not be possible without the many people whose work and generosity sustain the institution, from the Board of Trustees, to the staff, volunteers, and interns. Most of all, we thank our donors for their continuing support and commitment to the Museum's future. This document provides a listing of the Board of Trustees during FY19 and the Museum's Financial Statement for the fiscal year.
